

# ARK ENCOUNTER

The Ark Encounter features a full-size Noah's Ark, built according to the dimensions given in the Bible. Spanning 510 feet long, 85 feet wide, and 51 feet high, this modern engineering marvel amazes visitors young and old.

As you enter Noah's world aboard the massive Ark, you'll tour three decks filled with scores of world-class exhibit bays. These stunning exhibits allow you to experience what Noah's life may have been like.

# CREATION MUSEUM

The Creation Museum features nearly 150 exhibits of fearsome animatronic dinosaurs, talking heroes of the faith, and professional displays that honor God's Word. Enjoy a chronological retelling of biblical history in seven parts. Step back in time, beginning with Creation, and fast-forward to Christ's return.

-Answers in Genesis
